GRAPHIC DESIGN PORTFOLIO AND
RESUME FOR SHANEILLE BRAMWELL

So, who am I?

Hey there! *waves* I'm Shaneille! How will I fit into this little passage all the amazing things about me that you deserve to know? Either way...I'll give it a shot.

I have always been passionate about creativity and adding my own little spice to everything I do to make it beautiful. It's easy to pour love into my art because I love designing and producing appealing designs.

My goal as an artist is to solve as many design problems as possible with minimalistic and clean artwork.

I am great at what I do, owing to my years of experience and my commitment to every project I take on. This ensures that my clients are happy and excited with every design they receive. I also believe in personal and professional development and staying relevant, so I'm always learning more efficient ways to improve each design as I progress on my creative journey.

Most of all, whatever I do, I try to have fun with it.

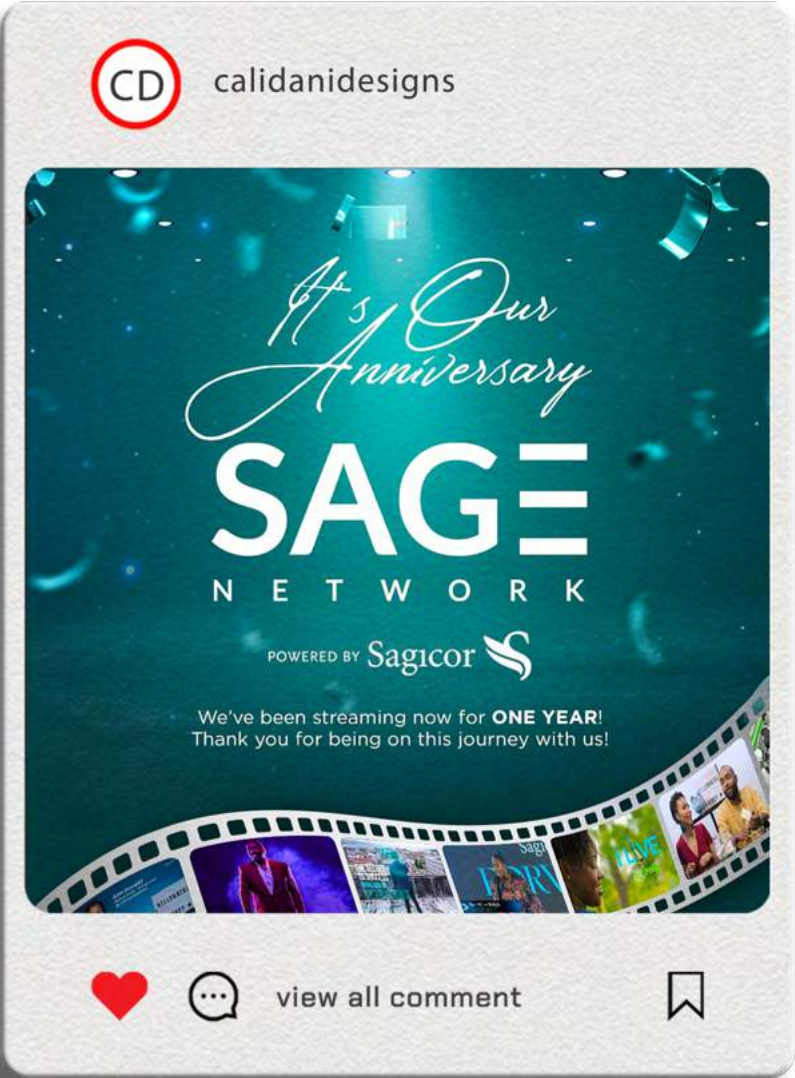

Welcome to
MY WORLD OF
CREATIVITY.
